To The Secretary to the Government of Madras,

Law (Education) Department.

Through, The President, District Educational Council and
The Director of Public Instruction, Madras.

District Educational Council Office, JAN 21 1929 ... SOUTH KANARA.

Sir,

I have the honour to submit herewith the Budget of the Elementary Education Fund for the year 1929-30 tog with a copy of the Taluk Board's resolution.

2. The current year's budget closed with a defici of Rs 6372 and I have been able to reduce it by Rs 1302. H th revised estimate closes with a minus balance of Rs 507 nspite of attempts to avoid the same. I am unable to fu educe the expenditure to any extent. As Girls' and Mah adan schools were opened last year only on account of th backwardness and as Government sanctioned a grant of Rs 52 ast year towards construction of school buildings on con ion of Taluk Board meting out an equal amount as cont

meeting

m

contribution, the deficit could not be avoided. All the ---- buildings were incomplete last year and payment had to be -- made in the current year.

3. The schools were not closed in the current year as the Taluk Board was reluctant to do it when Government is for expansion of Elementary Education in villages having even a population of 500 inhabitants. Accordingly my Board made representation to Gevernement again to sanction special subsidy -- to wipe off the deficit; but Government having in their ---- order No. His 2011 dated 17th October 1928 declined to reconsider their orders passed in para 2 of G.O.No. 1523 Law (Education) dated 19th July 1928, my Board has resolved to close 9 schools (two general, 3 mopla, two Hindustani and two girls) from 1st March next. Besided the grant sanctioned in G.O. No. 703 Law (Education) dated 4th April 1928 for two non Mahammadan Girls' schools has been utilised for two Girls' schools - already opened by the Board as permitted in G.O.No.His 2303/30-11-1928 It is a regrettable thing to see that these schools have ----- good attendance of pupils.

4. It will be seen that the scale of salary of the teachers under this Board noted in the enclosure to the Budget is less than that in vogue in the case of Government schools. The ---- present scale was brought into force from June 1921. When the teachers grumble that their scale is far less, my Board sees no way to do anything in the matter.

5. I have represented all the facts to Government and I see no other way to reduce the expenditure. The Budget for the next year closes with a deficit of Rs 11,790 owing to -- there being a minus balance of Rs 5070 in the revised estimate. As the increments due to the teachers in the current year -- were not paid on account of want of funds, provision has been made for payment of two years' increment.

6.Under these circumstances, I request that Government may be pleased to sanction as a special case grant of Rs 11,790 ---

to wipe off the deficit.'

I have the honour to be,

Sir,

Your most obedient servant,

K Jadeswara Adiga
President.

From the Genl Ledger it is observed that the contribution of Rs 9600 refd to on the preceding page is the actual contn made in 1928-29. The actual balance under the Elys Dr Acct at the end of 1928-29 was Rs 2070 and the balance anticipated at the End of 1929-30 is — Rs 4350. It may therefore be necessary to reduce the expenditure on Elys Dr in 1929-30 at least by ~~Rs 4350~~ Rs 4,350 as the deficit cannot be made good from the Genl Funds.
